Congratulations to all Graduating Seniors from The Pensacola News Journal

TWO YEARS WITH US CAN HELP PAVE THE WAY TO COLLEGE.
The Army's special two-year enlistment gives you time to learn a skill, mature physically and mentally, and become better prepared for college.
Two years between high school and college gives you time to experience the world outside the classroom, to decide what you want to be, and a chance to have \$17,000 for college from the GI Bill & the Army College Fund.
Make your road to the future a lot smoother. Reserve your two-year enlistment in the Army, now.
